

## Sani Suite Collection - Benefits & Services

The Sani Suite Collection guarantees even more personalized, perfectly tailored services before, during, and after your stay.

Thanks to the Sani Suite Collection benefits, you can forget about reality and discover your inner peace. Don't worry about dinner because we can easily book your table reservations at one of the many highly acclaimed restaurants. Other things that we will take care of are spa treatments, childcare, and other activities for the kids. Furthermore, you have access to all facilities and amenities, both in your room and at the resort.

The Sani Suite Collection is available to guests in suites with one, two, or three bedrooms at any of the Sani Resort properties. These benefits are also included for guests staying in the Deluxe Suites of Sani Dunes and all suites of Sani Asterias.

Benefits & services include:
